There have been changes to Public Forum

Please remain seated.

Public Forum is a 10 minute period prior to the start of the Council meeting. Before Public Forum commences, the Chair will ask any residents present if they wish to raise a matter with the Council, and the Chair will decide whether to invite the resident to speak, or whether it is more appropriate to ask them to direct the information to the Clerk by email, phone call or letter.

Members of the public may not take part in the Parish Council meeting itself unless the Council resolves at the meeting to accept comments on a particular item.

Any points raised may be discussed at the next Parish Council Meeting not during public forum. This is to allow councillors and the public time to consider the matter fully.
