	8f.	<p>Case No: 20/00570/HP</p> <p>Location: 10 Badsey Fields Lane, Badsey.</p> <p>Proposal: Proposed new dwelling.</p> <p>Parish Council Decision: "Badsey PC object to the additional provided for the following reasons:</p> <p>The front of the new house will be in line with the existing house which we believe is not the stated 4.8metres from the highway but in fact is 4 metres. A site visit is required to determine the correct distance. In the application 17/01958 Highways had the house moved 2 metres further back this would be the same in this instance.</p> <p>If this application is approved, the number of potential car parked for 5 houses would not be inkeeping with the character of Badsey Fields Lane, the entire frontage would be dropped kerb meaning that roadside parking would not be possible for a large stretch on the road.</p> <p>The connection to the sewer has not been addressed, Large chambers were installed in the storm drain at the points where foul sewer pipes emerged from each house on the south side of the lane so that the sewer pipes could run through the chambers and into the main sewer beyond, while the rainwater flowed around the sewage pipes and on to the next chamber.</p> <p>The reduction of light to no. 12 has not been addressed from the original application, a site visit is required to establish this.</p> <p>There are a number of points raised here which require a site visit before any decision can be considered on this application</p> <p>Wychavon Decision: Refused.</p>	
	8.	<p>Case No: 20/01246/HP</p> <p>Location: 6 Hop Gardens Aldington.</p> <p>Proposal: Erection of double garage to front of dwelling.</p> <p>Parish Council Decision: "Badsey PC has the follpwing comments to make with regard to this application:</p> <p>The size of the structure appears to be rather large and would be difficult to hide it from view.</p> <p>Concerns were also raised about it being a timber structure which over time could deteriorate.</p> <p>There is a suggestion that perhaps it could be 2 metres further back rather than the proposed 1 metre.</p> <p>Wychavon Decision: Approved.</p>
